

Scenic Cascade Mountain Division
of *The Great*
GREAT NORTHERN RAILWAY

It ain't bragg'n...
" It's The Great Northwest's Setting
for the Great Northern Railway "

- ◆ 475' MAINLINE & 75' of Branchlines. (525' Show Loop) Article & old track plan in 1993 Issue of Kalmbach's "Great Model Railroads".
- ◆ Operating Crew: Dispatcher, Seattle Tower, Seattle Switcher, & 6 Road Engineers.
- ◆ Jim Long's computer generated switchlist.
- ◆ **15 staging track locations.** (Throttle is **always forward** out of staging.
- ◆ West Door of 8 mile long Cascade tunnel kept closed for proper venting. Open when train approaches "Low Bridge" or 2nd level of helix. Don't forget to close the Door after you pass.
- ◆ Adherence to **GGN Rulebook** dated 10/5/59 recommended. (But **Rule # 1 is mandatory.**)
